Dealer notes

Meet the White 2017 Jeep Compassan easygoing compact SUV thats ready for commutes, errands, and weekend escapes without the fuss. Its 2.0L 4-cylinder gas engine pairs with an automatic transmission and front-wheel drive, giving you a smooth, predictable feel around town and on the highway, helped along by a comfortable touring suspension and confident 4-wheel ABS braking with brake assist. Inside, the Gray leather cabin keeps things inviting, especially when the weather turnsthanks to heated front seats. Settle in, connect your phone via Bluetooth, fire up your favorite playlist with streaming audio, and let cruise control handle the long stretches. Practical touches like a 60/40 folding rear seat, smart console storage, cupholders front and rear, and both 12V and 120V power outlets make daily life easierwhether youre hauling groceries or gear. On the outside, deep tinted glass, fog lamps, a chrome-accented grille, and LED brakelights give this Compass a sharp look, while the rear wiper/defroster and variable intermittent wipers keep visibility on your side.
