Dealer notes

Slide into this white 2020 Chevrolet Equinox SUV and you'll see why it's such an easy pick for everyday life and weekend escapes. Under the hood, a punchy 2.0L turbo 4-cylinder brings the kind of quick, confident power that makes merging and passing feel effortless, while the stop-start system helps keep fuel use in check when traffic slows down. Its all-wheel drive and sure-footed suspension setup are ready for whatever your route throws at you: rainy commutes, gravel driveways, or that last-minute let's go somewhere detour. And when adventure calls, the factory-installed trailer hitch and trailering equipment mean you can bring a little extra along for the ride. Inside, it's built for real life: a split-folding rear seat helps you switch from passengers to cargo in seconds, and the driver-focused cabin puts key controls right on the steering wheel. Enjoy your playlists through a 6-speaker audio system, while active noise cancellation and an acoustic laminated windshield help keep the cabin impressively calm. Safety and confidence come standard with stability control, traction control, a full airbag system, a Following Distance Indicator, and a handy Rear Seat Reminder. Plus, a CARFAX report is available for extra peace of mind. At Montage Motors LLC quality is never compromised; we only sell hand-picked high quality used cars, trucks & SUV's. For our customer's peace of mind we offer: A Free Carfax Vehicle Report available on every vehicle on our website www.MontageMotors.co
