Dealer notes

Here's a stunning 1947 Plymouth Deluxe Street Rod finished in tutone beige/brown metallic finish, and custom beige leather interior. This sedan underwent a high-dollar, frame-off restoration with the intention of winning shows and driving anywhere. The body is chopped and straight with a beautiful paint finish. The chrome and stainless shine brightly. The 15" American Racing polished aluminum wheels complement it nicely. Under the hood is a Chevy PPV 350 CID V8 engine with Vortec heads, Holley Sniper EFI, Edelbrock intake, a 4-core heavy-duty radiator, Hooker headers, Vintage Air, an electric cooling fan, and more. Power meets the pavement through a 700R4 auto. Chassis upgrades include Mustang II front end, airbag suspension, and front disc brakes. On the road, this Plymouth is an excellent cruiser, boasting ample power. You'll even be impressed with the distinctive notes coming from the exhaust. The interior looks and feels like high-end luxury, featuring custom front leather power seats, a comfortable rear bench, p. windows, p. locks, Stewart-Warner gauges, tilt, cruise, and premium sound. As an incredibly well-completed build, this 1947 Plymouth Deluxe Street Rod is a one-of-a-kind restoration that is hard to find!
