Dealer notes

Power Stroke diesel. FX4 Off-Road Package. Crew Cab versatility. For buyers who want diesel performance with passenger-friendly Crew Cab space, this well-maintained 2024 Ford F-250 Super Duty XLT is a particularly useful configuration. Finished in Oxford White over Medium Dark Slate, it features a 6.75-foot box, FX4 Off-Road Package, and Camper Package. Clean CARFAX with no accidents or damage. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. The 6.7L Power Stroke V8 Turbo Diesel produces 475 horsepower and 1,050 lb-ft of torque, paired with a 10-speed automatic transmission and Four-Wheel Drive. A 3.31 electronic-locking rear axle provides additional traction when needed. The FX4 Off-Road Package includes skid plates for added underbody protection, while LT275/70R18E all-terrain tires are suited to mixed pavement and off-road use. Inside, the Medium Dark Slate Crew Cab provides generous passenger room and useful interior storage. Platform running boards provide a secure step into the cab. The Camper Package includes heavy-duty front suspension, adding equipment intended for slide-in camper applications. For someone who needs one vehicle for towing, carrying passengers, and recreational use, this F-250 avoids the compromises of a more basic heavy-duty pickup configuration. Frequently Asked Questions Q: How much can a 2024 Ford F-250 with the 6.7L Power Stroke tow? A: Properly equipped 2024 F-250 models can tow more than 20,000 pounds, depending on configuration, hitch type, axle ratio, and equipment. Q: What does the electronic-locking rear axle do? A: It can lock both rear axle shafts together to help maintain traction on loose or difficult surfaces. Q: What is the benefit of the 6.75-foot box? A: It provides useful cargo space while keeping the overall truck shorter than a comparable Crew Cab with an 8-foot bed.
