Dealer notes

This Blue 2014 Kia Soul brings big personality in a right-sized SUV package, perfect for daily commuting, errands, and weekend cruising. Under the hood is a gas-sipping 1.6L 4-cylinder paired with a smooth automatic transmission and confidence-friendly FWD, making it an easygoing companion in city traffic and on the highway. Step inside and you'll find a clean Black interior with a comfortable, driver-focused layout. Set your ideal driving position with the tilt/telescopic steering column, keep an eye on the tachometer and trip computer, and handle volume or settings right from the steering wheel controls. Air conditioning keeps the cabin comfortable, while power windows and power door locks add everyday convenience. Safety is well covered with a full suite of airbags, plus ABS brakes with electronic brake assistance, traction control, and vehicle stability control to help you stay composed when conditions change. A tire pressure monitor helps you keep tabs on the basics, and child safety door locks add peace of mind for family duty. Need flexibility? Fold the second row down to open up extra room, then secure your gear with handy cargo tiedowns. Automatic headlights, a rear window defogger, and rear wiper keep visibility clear, and the durable steel wheels are ready for the grind. A Carfax report is available for this Soul, so you can shop with confidence.
