Dealer notes

Tackle the toughest job sites with supreme confidence in this heavy-duty 2019 Ford Super Duty F-550 DRW XL. Finished in a classic Oxford White exterior, this commercial chassis cab is engineered to provide uncompromising strength and dependability for demanding fleet operations and tough commercial applications. Featuring a practical Regular Cab layout set on a 145-inch wheelbase with a 60-inch cab-to-axle (CA) measurement, this dual rear wheel workhorse delivers the ideal foundation for a wide range of custom upfits, from utility service bodies to dump beds and flatbeds. Under the hood, muscle is provided by the potent 6.7L 4V OHV Power Stroke V8 Turbo Diesel B20 engine, engineered to deliver exceptional low-end torque and massive pulling power for heavy loads. This diesel engine works in tandem with a heavy-duty TorqShift 6-speed automatic transmission and a 4.10 axle ratio to maximize power distribution, gear control, and towing efficiency. Thanks to its robust Four-Wheel Drive (4WD) system and dual rear wheel (DRW) configuration, this Super Duty maintains superior traction, load stability, and capability across rugged terrain and inclement weather conditions. Inside, the cabin is trimmed in a practical Medium Earth Gray interior, designed to offer a durable, functional, and easy-to-clean workspace for long hours on the job. The XL trim provides a driver-focused, ergonomic environment with durable materials built to withstand the everyday wear and tear of hard work. Built to expand your business capabilities and tackle the heaviest workloads without compromise, this 2019 Ford Super Duty F-550 DRW XL is ready to report for duty and drive your business forward.
