Dealer notes

The 2025 GMC Sierra 3500HD 4WD Reg Cab 142" SLE is a commanding heavy-duty truck engineered to handle your most demanding commercial tasks and heavy-duty towing needs with ease. Finished in a professional Summit White exterior, this regular cab configuration is designed for maximum utility and a no-nonsense work ethic on any job site. Offering a bold, authoritative stance, this vehicle is the perfect partner for business owners and fleet operators who require uncompromised strength, reliability, and professional-grade styling. At the heart of this truck's exceptional capability is a powerful 6.6L 8 Cylinder engine paired with a rugged Four Wheel Drive (4WD) system, delivering the muscle and traction needed to move heavy payloads and massive trailers. This capability is elevated by the legendary X31 Off-Road Package, which equips the vehicle with specialized suspension tuning and hardware to conquer rugged, unpaved work sites and challenging off-road conditions. Additionally, peace of mind comes standard with the inclusion of an LT275/70R18 all-terrain blackwall spare tire, ensuring you are prepared for whatever the road or trail throws your way. Inside, the functional cabin is finished in a refined Jet Black interior, designed to provide a comfortable and productive workspace during long days on the road. The integrated SLE Convenience Package elevates daily driveability with a selection of premium utility and comfort features, while the Remote Start Package allows you to conveniently pre-condition the cabin from afar. Furthermore, the cargo box is protected by a durable spray-on bed liner, safeguarding your truck bed from scratches, dents, and corrosion during heavy use. For buyers seeking a powerful, work-ready truck that refuses to compromise on utility or convenience, the 2025 GMC Sierra 3500HD SLE is the ultimate heavy-duty solution.
