Dealer notes

A true classic, this 1971 Jaguar E-Type is an exceptional survivor car that remains fully original and highly sought after by collectors. Showing just 42,000 original miles, this E-Type has been carefully preserved and still retains its factory stickers-an increasingly rare detail that speaks to its authenticity and originality. The body, trim, and interior reflect the integrity of a well-kept example, making it a standout for purists and enthusiasts alike. To ensure it continues to present and perform at its best, we are currently replacing all of the vehicle's rubber components. This is a rare opportunity to own an honest, unmolested E-Type that embodies the timeless design and heritage that made Jaguar legendary. Also has original factory AC whice is very hard to find!!
