STATE CERTIFIED REBUILT TITLE – 2023 Jeep Grand Cherokee L Altitude 4x4 – 46,703 Miles – ONE OWNER – 3.6L V6 – Black Appearance – Power Sunroof This 2023 Jeep Grand Cherokee L Altitude 4x4 delivers the versatility of a three-row SUV with the upscale styling and capability that make the Grand Cherokee L such a desirable family vehicle. Finished in Diamond Black Crystal Pearlcoat over a Global Black interior, this example has a sharp blacked-out appearance highlighted by its 20-inch Gloss Black wheels. With 46,703 miles, this is a one-owner vehicle powered by Jeep's proven 3.6L Pentastar V6, paired with an automatic transmission and 4x4. The Quick Order Package 23B Altitude and power sunroof add desirable comfort and appearance upgrades without sacrificing everyday practicality. Vehicle History & Condition This Grand Cherokee L carries a State Certified Rebuilt Title following previous right-front damage. 46,703 Miles ONE OWNER Right-Front Damage History Repaired, Inspected & State Certified The previous damage has been repaired, and the vehicle has completed the required state inspection and certification process. Its history is fully disclosed and reflected in the selling price. Why This Grand Cherokee L Stands Out The Grand Cherokee L provides something the standard Grand Cherokee cannot: three-row seating with additional passenger and cargo flexibility. The Altitude configuration gives this example a sportier appearance with black exterior detailing and 20-inch Gloss Black wheels, while the Diamond Black paint creates a clean, monochromatic look. Add the 3.6L V6, 4x4 capability, one-owner history, and power sunroof, and this is a well-rounded SUV for daily driving, family transportation, and road trips.
