Dealer notes

PLEASE NOTE: THIS CAR DOES NOT RUN OR DRIVE...PLEASE READ NOTES CAREFULLY:
This is a classic 1989 Corvette C4 that was in my dreams! I bought it, restored it, repainted it... BUT a drip from the fuel rail caused a FIRE in the ENGINE COMPARTMENT, melting the wiring harness, rubber tubes and hoses. (Photos are of the Corvette before the fire - hood and right fender now need replacement - windshield back to the rear bumper still looks the same). We are offering it at a deep discount to someone looking for a RESTORATION PROJECT or PARTS CAR. Frame is in good condition if you want to use it for your street mod unit or rat rod, or for a track car or however else you might choose. 1989 Chevrolet Corvette C4 with Targa Top. Call Paul to check it out and buy it. Bring your trailer or dolly and let your restoration project take off for you! See you at Car Castle, 7300 Brook Road (corner Lakeside Ave), Richmond, Va 23227. Call or text Paul (804) 402-0626. CASH ONLY. THIS CAR DOES NOT RUN OR DRIVE AFTER THE FIRE, AND MUST BE TOWED. Price does not include \$299 processing fee
