Dealer notes

Introducing the sleek and powerful 2016 GMC Canyon SLE, the perfect combination of style and performance. This mid-size pickup truck is designed to handle any task with ease, making it the ultimate vehicle for both work and play. With its spacious and comfortable interior, advanced technology features, and impressive towing capabilities, the Canyon SLE is sure to exceed your expectations.

Step inside and experience the luxurious interior of the Canyon SLE. With spacious seating for up to five passengers, everyone can ride in comfort and style. The premium cloth seats provide both support and comfort, making long drives a breeze. The driver's seat is power-adjustable, allowing you to find the perfect position for your journey. Plus, with the advanced infotainment system, you can stay connected and entertained on the go.

Under the hood, the 2016 Canyon SLE packs a punch with its powerful 3.6L V6 engine. With 305 horsepower and 269 lb-ft of torque, this truck can tackle any terrain with ease. And with a towing capacity of up to 7,000 pounds, you can bring along all your gear for your next adventure.

But the 2016 Canyon SLE isn't just powerful, it's also packed with advanced safety features. From the rear vision camera to the available forward collision alert and lane departure warning, this truck has your back on the road. Plus, with the StabiliTrak stability control system, you can feel confident a
