Dealer notes

STATE CERTIFIED REBUILT TITLE – 2023 Dodge Durango SRT Hellcat Plus AWD – 35,617 Miles – ONE OWNER – Pennsylvania Vehicle – 6.2L Supercharged HEMI – Destroyer Gray This 2023 Dodge Durango SRT Hellcat Plus AWD is the definition of an extreme-performance SUV, combining three-row practicality with the incredible power of Dodge's 6.2L Supercharged HEMI V8. Finished in menacing Destroyer Gray Clearcoat over a stunning Demonic Red and Black Laguna leather interior, this Hellcat has the presence, sound, and performance that made these Durangos so desirable. With 35,617 miles, this is a one-owner Pennsylvania vehicle equipped with the Quick Order Package 2XW Hellcat Plus and 295/45ZR20 performance tires. It delivers supercharged V8 performance while retaining AWD, a premium cabin, and the everyday versatility of a Durango. Vehicle History & Condition We want to be completely transparent about this vehicle's previous history. This Durango carries a State Certified Rebuilt Title following a previous front-end collision with a tree. Based on the original damage, the impact was significant and was more than a minor cosmetic accident. Most importantly, despite the extent of the exterior damage: NO Structural Damage Previous Front-End Collision Vehicle Struck a Tree ONE OWNER Pennsylvania Vehicle Repairs Were Completed Very Well Inspected & State Certified 35,617 Miles We don't want to minimize the previous accident simply because the vehicle has been repaired. The original front-end damage was significant; however, it did not result in structural damage, and the finished repairs were completed to a very high standard. Why This Durango Stands Out The SRT Hellcat is unlike a typical three-row performance SUV. Underneath the family-friendly Durango body is Dodge's legendary supercharged 6.2L HEMI V8, producing approximately 710 horsepower and 645 lb-ft of torque. AWD allows the Durango to put that power down far more effectively than a traditional rear-wheel-drive muscle car, while the SRT performance hardware provides the braking, suspension, cooling, and drive-mode technology necessary to support the powertrain. The Destroyer Gray exterior and Demonic Red/Black Laguna leather interior also make this an especially striking configuration. Vehicle Overview 6.2L Supercharged HEMI V8 Approximately 710 Horsepower 8-Speed Automatic Transmission All-Wheel Drive SRT Hellcat Plus Quick Order Package 2XW Destroyer Gray Clearcoat Demonic Red/Black Interior High Performance Laguna Leather 295/45ZR20 Performance Tires Three-Row SUV Hellcat Plus Equipment The Hellcat Plus configuration combines extreme performance with a genuinely premium interior. Features include, as equipped: Laguna Leather High-Performance Seats Heated & Ventilated Front Seats Heated Second-Row Seats Heated Steering Wheel Driver Memory Settings Power Front Seats Remote Start Power Liftgate Premium Interior Trim Three-Row Seating Tri-Zone Automatic Climate Control SRT Performance The heart of this Durango is its 6.2L Supercharged HEMI V8, backed by an AWD system designed to handle tremendous power. Performance equipment includes, as equipped: SRT

Performance Pages Multiple SRT Drive Modes Launch Control High-Performance Braking System Performance-Tuned Suspension Performance Steering High-Performance Exhaust AWD Performance Drivetrain 295/45ZR20 Tires Electronic Stability & Traction Management The result is a vehicle that can carry passengers and cargo like a traditional SUV while delivering the acceleration and character expected from a genuine Hellcat. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This Durango carries a State Certified Rebuilt Title following a previous front-end collision with a tree. We want buyers to understand that the original damage was significant and should not be characterized as a minor accident. However, the collision did not result in structural damage, and the vehicle was subsequently repaired, inspected, and state certified. The completed repairs present very well. Its previous history is reflected in the selling price, creating an opportunity to purchase a one-owner 2023 Dodge Durango SRT Hellcat Plus AWD with 35,617 miles, a supercharged 6.2L HEMI V8, and an exceptional color combination at an attractive value.
