Dealer notes

This Carfax-certified four-owner vehicle has only minor damage reported in its history, which was professionally repaired. The car presents beautifully and remains in exceptional condition inside and out. This example is extremely well-equipped from the factory, having been commissioned by Porsche's Exclusive Manufaktur Department, a special bespoke design center for their clientele, featuring an impressive list of desirable options, including: Sport Chrono Package Red leather interior Full leather package with hand-stitched leather covering nearly every surface of the cabin, including the air vents Heated and ventilated front seats Contrast stitching throughout the interior 20" Carrera II wheels Keyless entry and ignition The 911 Carrera 4S Targa is widely regarded as one of the most desirable configurations in the 911 lineup. With its all-wheel-drive system, it offers exceptional traction and performance, while the Turbo wide-body design gives it the aggressive stance of the Turbo—without the higher maintenance and insurance costs associated with the Turbo models. This car has also been updated with 2023-style clear taillights and center reflector, giving it a more modern and refreshed appearance. Mechanically, the vehicle is fully sorted and ready for its next owner, having just received fresh service along with brand-new brakes and tires. After extensive driving and inspection prior to listing, we can confidently say the car performs exactly as it should—tight, smooth, and incredibly enjoyable to drive. This is a beautifully spec'd and well-maintained example of the iconic 911 Carrera 4S Targa, and one that we believe has all the qualities of a future collectible. Shipping, Financing & Protection Plans Supreme Motors offers financing assistance for most buyers and provides nationwide shipping on a regular basis.
