STATE CERTIFIED REBUILT TITLE – 2022 Dodge Challenger R/T Scat Pack RWD – ONLY 33,129 Miles – 6.4L 392 HEMI V8 – 6-Speed Manual – Go Mango – Well Maintained This 2022 Dodge Challenger R/T Scat Pack RWD delivers the authentic American muscle-car experience with its legendary 6.4L 392 HEMI V8, 6-speed manual transmission, and unmistakable Go Mango exterior. With only 33,129 miles and a well-maintained history, this Challenger is an exciting opportunity for enthusiasts looking for serious naturally aspirated V8 performance. Finished in vibrant Go Mango over a Black interior with Scat Pack logo houndstooth performance seats, this Challenger captures the spirit of classic Mopar muscle while offering modern technology, performance engineering, and everyday comfort. The combination of the 392 HEMI and manual transmission makes this particular Scat Pack especially appealing to driving enthusiasts who want complete control over their driving experience.

Vehicle History & Condition This Challenger carries a State Certified Rebuilt Title following previous right-front-side damage. Only 33,129 Miles Well-Maintained Vehicle Right-Front-Side Damage History Repairs Completed Inspected & State Certified The previous damage affected the right-front side of the vehicle. Following repairs, the Challenger completed the required inspection and certification process and was issued its rebuilt title. Its maintenance history is another positive, especially for a performance-oriented vehicle.

Why This Challenger Stands Out There are several reasons this Challenger deserves attention. First is the 6-speed manual transmission. While many modern muscle cars use automatic transmissions, this Scat Pack offers the traditional hands-on driving experience that enthusiasts appreciate. Second is the Go Mango exterior, one of Dodge's most recognizable high-impact colors. Combined with the aggressive Scat Pack styling, it gives this Challenger an unmistakable presence. Finally, with just over 33,000 miles, a well-maintained history, and the desirable 392 HEMI powertrain, this is an appealing configuration for someone shopping for a true V8 muscle car.

The naturally aspirated HEMI delivers immediate throttle response, strong acceleration, and the unmistakable exhaust note that has made the Scat Pack lineup so desirable.

6-Speed Manual Driving Experience One of the biggest highlights of this Challenger is its factory manual transmission. Unlike an automatic Scat Pack, the manual configuration gives the driver direct control over gear selection

and engine speed, creating a more engaging connection between the driver and the vehicle. For enthusiasts who appreciate traditional muscle-car driving, the combination of a large-displacement V8, rear-wheel drive, and a manual gearbox is difficult to beat.
