Dealer notes

Elevate your family adventures with the exceptional 2024 Toyota Grand Highlander Hybrid XLE AWD, a vehicle designed to perfectly balance modern sophistication with eco-conscious efficiency. Shimmering in a refined Celestial Silver Metallic exterior and paired with a premium Black interior, this three-row SUV delivers a commanding road presence and a spacious, upscale cabin. Built for those who demand both comfort and versatility, it represents the next generation of family travel, offering generous space for passengers and cargo alike without compromising on style. Under the hood, this hybrid SUV is powered by an efficient 2.5L 4-cylinder engine mated to an intelligent All Wheel Drive (AWD) system, providing confident traction and stability through rain, snow, or dry pavement. This advanced powertrain delivers the perfect blend of fuel-efficient performance and responsive capability for your daily commutes and long road trips. Ready for added utility, this model comes equipped with a tow hitch (tms), allowing you to easily bring along trailers, bikes, or extra gear on your next outdoor getaway. Inside, the cabin experience is elevated by an expansive panoramic roof that floods all three rows with natural light. Designed to handle the rigors of an active lifestyle, it features protective all-weather floor liners and a cargo tray (tms), keeping the premium interior safe from dirt and moisture. Additional adventure-ready features include roof rack cross bars (tms) for secure overhead storage and rear hatch cargo lamps (tms) to illuminate the cargo area during nighttime loading. Combining legendary hybrid efficiency with outstanding utility, the 2024 Toyota Grand Highlander Hybrid XLE AWD is the ultimate modern utility vehicle ready for your driveway today.
