This VIN pattern confirms the 3.6L six-cylinder engine, four-wheel drive and pickup configuration. CLEAN TITLE • GREAT SERVICE RECORDS ON CARFAX Performance & Capability 3.6L Pentastar® V6 305 Horsepower 269 lb-ft of Torque 8-Speed 845RE Automatic Transmission Four-Wheel Drive (4x4) Crew Cab / 4-Door 5'7" Short Bed Flex-Fuel Capability Variable Valve Timing Electronic Stability Control Trailer Sway Control Four-Wheel Disc Brakes Tire Pressure Monitoring System Towing & Payload For the 2016 Ram 1500 Crew Cab 4x4 with the 3.6L V6 and 5'7" bed, Ram's official SAE J2807 towing chart lists approximately 1,640 lbs of payload. Maximum trailer capacity depends on axle ratio: 4,170 lbs with the 3.21 axle or up to 7,160 lbs with the 3.55/3.92 axle. The exact axle ratio and vehicle-specific payload should be verified from the factory build sheet and door-jamb labels before advertising the maximum rating. Crew Cab & Work-Truck Utility The Crew Cab provides full-size rear passenger space while the 5'7" short bed keeps the truck practical for both daily driving and work. The Tradesman is well suited for contractors, construction, landscaping, property maintenance, fleet use and recreational driving. Typical equipment includes air conditioning, cruise control, folding rear seating, power steering, stability and traction control, trailer sway control and tire-pressure monitoring. Uconnect®, Bluetooth, backup camera and towing equipment vary according to the truck's factory options. Proven Pentastar V6 The 305-horsepower 3.6L Pentastar V6 paired with Ram's 8-speed automatic offers a strong balance of performance and efficiency. With 4WD and a spacious Crew Cab, this Ram works well as a job-site truck, daily driver, family pickup or weekend adventure vehicle. Ram's factory towing documentation confirms the 3.6L/845RE combination for this Crew Cab 4x4 configuration.
