### Dealer notes

2021 Chevrolet Corvette Stingray C8 LT2 Sports Car. This car currently has a well-done hot-pink wrap, but underneath it is finished in Torch Red, a burnt-red Inferno color that is absolutely amazing in person. Once the wrap is removed, you will see the original color that really makes this car stand out. It features a two-tone black and red leather interior, aftermarket tires and wheels, aftermarket exhaust, rear wing, front splitter, and several other upgrades. This Corvette is extremely clean and definitely gets a lot of attention—and it will continue to do so once the wrap is removed. It sounds great, looks incredible, and has the appearance of a true supercar for a fraction of the price! Price does not include \$0 processing fee
