Dealer notes

The 2023 Dodge Charger SXT RWD is a bold and modern full-size sedan that combines strong V6 performance, rear-wheel drive dynamics, and everyday comfort. Powered by a 3.6-liter V6 engine producing 292 horsepower and 260 lb-ft of torque, this Charger delivers smooth acceleration and confident performance for both city driving and highway travel. Paired with an automatic transmission and rear-wheel drive, it offers a balanced and responsive driving experience while still providing the practicality of a spacious four-door sedan. With only 64,798 miles, this Charger presents an appealing combination of modern styling, reasonable mileage, and proven everyday usability. The SXT trim gives the Charger a sporty and aggressive appearance while maintaining the comfort and convenience needed for daily driving. Inside, the cabin offers generous passenger space, a driver-focused layout, and the modern feel expected from a late-model sedan. Combining distinctive muscle-car-inspired styling, efficient V6 performance, and rear-wheel drive character, the 2023 Dodge Charger SXT is a well-rounded sedan for drivers looking for style, performance, and practicality in one package.
