Dealer notes

Elevate your driving and towing experience with the ultimate expression of heavy-duty luxury: the 2024 GMC Sierra 2500HD 4WD Crew Cab 159" Denali Ultimate. Finished in the sophisticated and striking White Frost Tricoat exterior paint, this premium pickup commands attention on the road, at the job site, or towing your weekend toys. Designed specifically for buyers who refuse to compromise between rugged, professional-grade capability and first-class refinement, this heavy-duty truck stands as the pinnacle of the Sierra lineup, offering an unmatched road presence and executive-level prestige. Under the hood, this 2024 GMC Sierra 2500HD is powered by a potent 6.6L 8-cylinder engine paired with a robust four-wheel-drive system, delivering the relentless horsepower and torque required for confident hauling and trailering. Built to handle the heaviest loads with ease, this truck comes equipped with a factory-installed gooseneck / 5th wheel prep package, providing a secure hitch platform to accept your gooseneck or 5th wheel hitch immediately. To ensure your electrical systems remain fully powered when running auxiliary equipment, the truck features dual alternators—a 220-amp primary and a 170-amp auxiliary—along with a practical high idle switch that optimizes power delivery during stationary operations. Inside the spacious 159" wheelbase Crew Cab, you are greeted by an interior designed for long-haul comfort and elite craftsmanship. The cabin features the exclusive Alpine Umber full grain leather seat trim, wrapping passengers in a warm, premium aesthetic that is as durable as it is luxurious. This meticulous attention to detail elevates the cabin into a mobile sanctuary, making it the perfect reward after a hard day's work. If you are searching for a heavy-duty truck that seamlessly fuses raw towing power with world-class interior comfort, this 2024 GMC Sierra 2500HD Denali Ultimate is the complete package.
