Dealer notes

1974 Mercedes-Benz 450SL with just 63,000 miles! This beautiful classic Mercedes comes with a great ownership history-the current owner has enjoyed it for the past 5 years after purchasing it from the family who originally bought the car in 1976 and kept it for decades. Finding a 450SL with this kind of long-term family history and low mileage is becoming increasingly difficult. The 450SL offers timeless Mercedes-Benz styling, a smooth V8, and the classic roadster experience that makes these cars so desirable. A wonderful opportunity to own a well-documented piece of Mercedes-Benz history at an asking price of $15,900. We can ship all over the country for an additonal cost depending on location.
