Dealer notes

CLEAN TITLE – 2019 Chevrolet Tahoe LT 4WD – 68,805 Miles – Fresh Ohio Trade-In – Very Well Kept – 5.3L V8 – Navigation – Upgraded Wheels This 2019 Chevrolet Tahoe LT 4WD is a very well-kept fresh trade-in that offers the space, durability, and V8 capability that have made the Tahoe one of the most popular full-size SUVs on the market. Finished in Black over a Jet Black leather interior, it has 68,805 miles and came to us from Ohio. The previous owner clearly made an effort to preserve the vehicle, even keeping seat covers over the front leather seats for protection. It also features wheels from a newer Chevrolet Silverado, like-new tires, and all-weather floor mats, giving it a sharp appearance while adding practical value. Vehicle History & Condition This Tahoe has a clean title and was recently traded in to us. 68,805 Miles Clean Title Fresh Ohio Trade-In Very Well Kept One Incident Reported in March 2020 Incident Was Not Major Front Leather Protected with Seat Covers Like-New Tires The previous incident dates all the way back to March 2020 and was not major. The Tahoe has continued to accumulate years of use since that event. Overall, this is a nicely preserved example for its age and mileage. Why This Tahoe Stands Out A few details immediately separate this Tahoe from an average used example. The previous owner used front seat covers to help preserve the leather, and the vehicle comes with all-weather floor mats to further protect the interior. On the outside, the newer-model Silverado wheels give the Tahoe an updated appearance, and they're paired with like-new tires, saving the next owner from immediately having to budget for a replacement set. Most importantly, it combines reasonable mileage with a clean title, 4WD, the proven 5.3L V8, and the practicality of three-row seating.
