Dealer notes

Elevate your commercial fleet capabilities with the impressive 2024 Mercedes-Benz Sprinter Cargo Van 2500 High Roof I4 Diesel HO 170" AWD. Finished in a clean, professional Arctic White exterior, this full-size work van combines iconic Mercedes-Benz engineering with exceptional utility to tackle your most demanding operational needs. Featuring an extended 170-inch wheelbase and a High Roof configuration, it provides an expansive, accessible platform tailored for cargo transport, mobile workshops, or custom equipment setups. Built to project a refined professional image while delivering maximum productivity, this Sprinter 2500 is an ideal solution for business owners who refuse to compromise on capability.Under the hood, the 2024 Sprinter Cargo Van is powered by a high-output 2.0L 4-cylinder diesel engine engineered for low-end torque, impressive efficiency, and long-term durability. Paired with a sophisticated All-Wheel Drive system, this vehicle delivers enhanced traction, control, and stability across challenging weather conditions and unpaved job sites. The combination of the high-output engine, AWD powertrain, long 170-inch wheelbase, and High Roof height maximizes usable cargo volume and payload utility, allowing crew members to comfortably stand upright inside the bay to easily load, unload, and organize gear.Inside, the functional cabin is appointed with a durable Black interior designed for hard work, straightforward maintenance, and driver comfort during long days on the road. The interior layout places an emphasis on clear visibility, intuitive driver controls, and comfortable ergonomics to keep you focused and refreshed between job sites. Combining all-weather capability, vast interior space, and proven commercial durability, the 2024 Mercedes-Benz Sprinter Cargo Van 2500 High Roof I4 Diesel HO 170" AWD is ready to work for your business. Contact our team today to learn more and take the next step toward upgrading your fleet.
