Dealer notes

The 2017 Ford Transit Connect Van XL LWB w/Rear Symmetrical Doors is a robust and versatile vehicle designed to meet the demands of both businesses and personal use. Sporting a sleek Frozen White exterior, it exudes a professional and polished appearance that suits any environment. The van's long wheelbase and rear symmetrical doors provide enhanced cargo space and easy access, making it perfect for transporting goods or accommodating custom upfits. Under the hood, the Transit Connect is powered by a reliable 2.5L 4-cylinder engine, delivering a balance of efficiency and performance. The powertrain ensures smooth driving in various conditions, offering a comfortable ride for those long hauls. Inside, the Charcoal Black interior provides a clean and modern look, with ergonomic seating that enhances driver comfort and reduces fatigue during extended hours on the road. Featuring the XL LWB style, this model emphasizes utility and practicality, with features designed to make day-to-day operations more convenient. The van includes multiple storage compartments, keeping essentials within easy reach, and the dashboard is intuitively laid out for driver ease. Safety features are prominent, ensuring peace of mind whether navigating city streets or highways. Overall, this 2017 Ford Transit Connect Van is an ideal choice for anyone seeking a reliable and adaptable vehicle.
