If you're looking for a serious heavy-duty pickup with proven V8 power, impressive towing capability, and the convenience of a gasoline engine, this 2021 Chevrolet Silverado 3500HD LT Crew Cab 4WD is ready to get to work! Powered by Chevrolet's heavy-duty 6.6L V8 gasoline engine, producing 401 horsepower and 464 lb-ft of torque, this Silverado delivers the muscle needed for demanding jobs, towing trailers, hauling equipment, and everyday work. Paired with a 6-speed heavy-duty automatic transmission and 4WD, this truck offers the strength and capability you expect from a Silverado 3500HD without the additional complexity of a diesel engine. Finished in White with 109,978 miles and backed by a Clean CARFAX with No Accidents, this LT combines serious capability with a spacious Crew Cab and practical features. At \$35,936, this Silverado offers an affordable way to step into a heavy-duty one-ton pickup without spending \$60,000 or more on a newer truck.
