Dealer notes

Brand New 2019 Sure-Trac wood deck car haulers 18 foot and 20 foot car haulers. All Powder coated All LED lights Super nice Ramps that store and pull out the back. Radial Tires with a 1 year hazard or abuse warranty - who does that? Sure-Trac does! Financing available with Sheffield trailer solutions financial or Synchrony Car care. WAC in many cases the financing is Zero down! WAC. I have made a habit out of selling the most affordable car haulers in Colorado and I still do it - This brand is a step above my standard brand in my Good-Better-Best selection and it shows. You will pay a bit more for this brand and I am still not being greedy and I am still less than my competition for similar quality. The extra value shows: Powder Coat Radial Tires Treated wood that has been crafted to fit and is screwed down tight. Professional sealed EVER-LINK wire harness LED lights and Ramps that store and load from the back with a smoother top and an included spare mount. Before you get too excited and think these sound similar to other ads and features let me assure you it is not. This trailer is well designed balanced and superior in fit and finish as you would expect from a community of Amish building wood deck trailers. Frame design is 5 inch frame and 5 inch full wrapped tongue on the 20 footer and 4 and 4 inch on the 18. Both trailers come with metal on the dove tail section and welded d-rings on all 4 corners. Also has full tube cross supports. Diamond plate HD fenders with corner steps
