Dealer notes

Dressed in crisp White and built like it means business, this used 2025 RAM 1500 is the kind of truck that turns a quick errand into an excuse to take the long way home. Under the hood sits a 3.0L I6 Hurricane HO twin-turbo gas engine, delivering the punch you want with the confidence of a modern setup thats ready for everyday driving or weekend work. This 4WD truck is made for drivers who dont like to check the forecast before making plans. With an electronic transfer case, a driver-selectable rear locking differential, and off-road adaptive suspension riding on Bilstein Black Hawk e2 remote reservoir shocks, its prepared for dirt roads, job sites, and whatever the trail throws your way. Skid plates help protect the important bits underneath, while the all-terrain tires and full-size spare add extra peace of mind when the pavement ends. When its time to bring the toys (or the tools), its ready to tow with confidence thanks to Class IV towing equipment, trailer sway control, and a trailer wiring harness. Inside, youll find a comfortable, practical cabin with dual-zone automatic climate control, handy storage throughout, navigation, and a Wi-Fi hot spot to keep everyone connected. Carfax report available so you can shop with added confidence. At Montage Motors LLC quality is never compromised we only sell hand picked high quality used cars trucks & SUV's. For our customer's peace of mind we offer: A Free Carfax Vehicle Report available on every vehicle on our website ww
