### Dealer notes

2025 Land Rover Range Rover Sport P360 S - 8,773 Miles Finished in Fuji White over Ebony grained leather seats with an Ebony interior, this Range Rover Sport pairs a six-cylinder mild-hybrid powertrain with all-wheel drive, adjustable air suspension and a panoramic glass roof. It is a compelling choice for a buyer who wants a comfortable luxury SUV with a versatile driving setup. Power comes from a 3.0L inline-six mild-hybrid engine paired with an 8-speed automatic transmission and CommandShift controls. Full-time all-wheel drive and an electronic transfer case work with height-adjustable adaptive air suspension, front and rear anti-roll bars and speed-sensing electric power steering. The suspension lets the driver adjust the vehicle's ride height, while regenerative braking and a dual stainless-steel exhaust complete the mechanical setup. The VIN-specific window sticker lists a base MSRP of \$79,700 and an original retail price of \$81,550 including the \$1,850 shipping charge. Ebony grained leather seat trim is listed as a no-charge factory option. Inside, equipment includes power front seats, a heated leather steering wheel, dual-zone automatic climate control, a 15-speaker audio system, Bluetooth connectivity, HomeLink and an auto-dimming rearview mirror. A sliding and tilting panoramic glass roof adds an open feel, while power-folding heated mirrors, rain-sensing wipers and LED lighting support everyday convenience. Safety equipment includes a surround-view camera system, blind-spot monitoring, collision mitigation, emergency braking and adaptive cruise control with steering assist. With its Fuji White and Ebony color combination, six-cylinder mild-hybrid powertrain and adjustable air suspension, this Range Rover Sport brings together luxury, everyday practicality and a broad range of driving capabilities.
