Dealer notes

This 2021 Ram 2500 Big Horn Crew Cab 4x4 is a heavy-duty workhorse powered by the legendary 6.7L Cummins turbodiesel, pushing out 370 horsepower and an impressive 850 lb-ft of torque for serious pulling power and long-term reliability. Built to handle demanding jobs with ease, this truck offers a towing capacity of up to approximately 19,000 lbs when properly equipped, making it ideal for hauling trailers, equipment, or recreational toys. Sitting on premium wheels wrapped in aggressive off-road tires, it has a bold, commanding stance that looks as good as it performs. This is a true southern truck with no rust and a clean history-no accidents-and it has been exceptionally well cared for, remaining in mint condition inside and out, ready for both work and everyday driving.
