Dealer notes

If you've been in the market for a smaller SUV that is very reliable, great on fuel economy, and super sharp, then you really need to take the time and check out this 2018 BMW X1 sDrive that just came in! This BMW has a clean CarFax showing plenty of service history, it's a personal vehicle, not a rental or lease car, it was prior certified by BMW before they sold it, and it was a lady owned SUV from Charleston, SC!! This is a southern vehicle with NO rust and honestly, it looks new inside and out and runs great! The exterior is Jet Black with Black leather seating, and Black interior trim which looks really good!! It has automatic transmission, again, it's AWD drive, it has the Sport Package, adaptive cruise control, alloy wheels, anti-theft system, auto dimming rear view mirror, automatic climate control, connected car integrated apps, cruise control, the driver assist package, dual exhaust, emergency braking, heated seats, Halogen headlights, a heated leather steering wheel, a panoramic sun/moonroof, power seats, push button start, the tire pressure monitoring system, and so much more! It's very fun to drive!! If you have any questions about this or any other vehicle we have, please feel free to give us a call! We are a family owned business and have been selling quality used cars and trucks in the Southside Virginia area for over 40 years! ALL of our vehicles are serviced, professionally detailed and inspected before the sale! Also keep in mind, we have NO doc, prep, PDI or any other fees like the majority of dealers have. Give us a call, we'll do our best to earn your business! 434-549-5762 Price does not include \$0 processing fee
