Dealer notes

2023 Mazda CX-5 2.5 S Premium The 2023 Mazda CX-5 2.5 S Premium is proof that a compact SUV can deliver a driving experience that punches far above its class. Powered by a 2.5L Skyactiv-G 4-cylinder engine producing 187 horsepower and paired with a refined 6-speed automatic transmission, the CX-5 accelerates to 60 mph in 7.3 seconds with a confidence and composure that competing crossovers simply can't match. Mazda's Skyactiv engineering philosophy isn't about raw numbers — it's about delivering a driving dynamic that feels alive, responsive, and distinctly premium every single time you get behind the wheel. Step inside the Premium trim and the gap between the CX-5 and luxury SUVs costing twice as much becomes surprisingly narrow. Genuine leather seating, a power moonroof, heated front and rear seats, and a 10.25-inch widescreen display create an atmosphere that redefines what a non-luxury badge can deliver. Ventilated front seats, a leather-wrapped steering wheel, and Mazda's obsessive attention to interior quality mean every surface you touch tells the same story — this vehicle was built to impress. Cargo space, passenger comfort, and visibility all exceed what this segment typically offers. No accidents. No damage. Carfax certified as a Good Value — independent confirmation that this CX-5 is priced where smart buyers want it. Mazda i-Activsense safety suite brings adaptive cruise control, lane keeping assist, blind spot monitoring, rear cross-traffic alert, and automatic emergency braking into every drive. A Bose premium audio system, wireless connectivity, and a heads-up display round out a technology package that luxury brands charge premium prices for. Clean history, verified value, and Mazda reliability that stands the test of time — this CX-5 will not last long at this price.
