Dealer notes

If you are searching for a premium, trail-ready pickup that seamlessly blends bold styling with modern utility, this 2023 GMC Sierra 1500 4WD Crew Cab 147" Elevation is the ultimate choice. Striking an imposing presence on the road, this truck features a clean Summit White exterior that perfectly contrasts with its sophisticated Jet Black interior. Designed for buyers who demand both impressive curb appeal and generous room for the whole crew, this Crew Cab configuration offers a spacious cabin and the distinct, rugged styling that makes the Elevation trim highly coveted. Under the hood, this 2023 GMC Sierra 1500 is powered by a robust 5.3L 8-cylinder engine, delivering the dependable horsepower and capability needed for hauling, towing, and daily driving. Paired with a rugged Four Wheel Drive drivetrain, this pickup is engineered to conquer challenging terrains and adverse weather conditions with ease. It is exceptionally well-equipped for off-road excursions and demanding tasks alike, utilizing the specialized X31 Off-Road Package and aggressive 275/60R20SL all-terrain blackwall tires that provide superior grip on tough trails. Inside, the cabin prioritizes comfort and driver convenience with supportive front bucket seats that make long-distance highway cruises or long days on the job site effortless. This truck is fully prepared to work, featuring a durable spray-on bed liner to protect the cargo box from wear and tear, along with an integrated trailer brake controller that enhances safety and towing stability. Whether you are navigating daily commutes, hauling equipment, or tackling weekend adventures, this exceptionally equipped 2023 GMC Sierra 1500 Elevation delivers the perfect balance of strength, utility, and refined comfort.
