Dealer notes

Power, versatility, and comfort come together seamlessly in this 2020 Nissan Pathfinder S. Built for family road trips, daily commutes, and weekend adventures alike, this three-row crossover delivers standard performance features paired with an array of convenience and safety options designed around your drive. **Performance & Capability** Under the hood sits a proven 3.5-liter Direct Injection V6 engine producing 284 horsepower and 259 lb-ft of torque, paired with Nissan's smooth Xtronic Continuously Variable Transmission (CVT). Equipped with standard Hill Start Assist, a 6,000-pound maximum towing capacity, and stylish 18-inch aluminum-alloy wheels, this SUV is ready to pull small trailers, boats, or campers with ease while maintaining excellent highway fuel efficiency. **Interior Comfort & Smart Utility** Inside, the Pathfinder S provides spacious seating for up to seven passengers. The signature EZ FLEX Seating System features LATCH AND GLIDE technology, allowing the second-row 60/40 split-bench seat to slide and tilt effortlessly for quick access to the 50/50 split folding third-row—even with a child seat installed. Everyone stays comfortable thanks to the Tri-Zone Automatic Temperature Control system with independent rear ventilation controls. **Technology & Connectivity** Stay seamlessly connected behind the wheel through the NissanConnect 8-inch color touchscreen display featuring voice recognition, Bluetooth hands-free calling, audio streaming, and SiriusXM capability. Six USB ports distributed throughout the cabin—including modern USB-C ports—ensure that every passenger's devices remain charged on longer journeys. Keyless entry with Push Button Ignition and an Advanced Drive-Assist display keep essentials right at your fingertips. **Safety & Driver Assist** Safety is built into every mile. The 2020 Pathfinder S comes well-equipped with Nissan's Automatic Emergency Braking, a RearView Monitor backup camera, and a Rear Sonar System with parking sensors to make tight parking maneuvers effortless. Nissan's Innovative Rear Door Alert system also comes standard, reminding you to check the back seats before walking away. This clean-title, 7-passenger SUV combines full-size SUV capabilities with everyday practicality.
