Interior colour: —
Body type: SUV
Fuel economy: — city / — highway MPG
Dealer: Auto 206 Inc, Kent, WA 98032
Dealer phone: 206-456-2995

Dealer notes

2023 Tesla Model Y Long Range - 116,569 Miles Finished in Red Multi-Coat over white synthetic-leather seating with black cabin accents and white dashboard trim, this Model Y Long Range combines dual-motor all-wheel drive, an all-electric powertrain and a practical crossover layout. The glass roof and contrasting interior give the cabin an open feel, while the rear liftgate and folding seats make it useful for everyday errands and longer outings. Electric motors at the front and rear drive all four wheels through a single-speed automatic drivetrain, delivering power without conventional gear changes. Speed-sensing electric power steering, gas-pressurized shock absorbers and a front anti-roll bar support the chassis. Regenerative four-wheel disc brakes recover energy during deceleration, with ABS, brake assist and an electric parking brake completing the braking setup. Inside, equipment includes power-adjustable heated front seats, heated rear seats, a heated steering wheel, automatic climate control and a central touchscreen with navigation. The cabin also features wireless smartphone charging, Bluetooth audio, a premium audio system, an auto-dimming rearview mirror and a power liftgate. Split-folding rear seatbacks expand cargo flexibility. Safety equipment includes a backup camera, stability and traction control, forward collision mitigation, lane-departure warning and tire-pressure monitoring. For a buyer looking for an electric crossover with all-wheel drive and flexible passenger and cargo space, this Model Y pairs a distinctive red-and-white color combination with convenient cabin features and a simple single-speed driving experience. VIN: 7SAYGAEE9PF869204. Current mileage: 116,569. Contact Auto 206 Inc. for availability, financing, transportation, trade-in assistance or to schedule a test drive. Driven by Trust. Focused on You.
