Dealer notes

2015 Mercedes-Benz GL350 BlueTEC 4MATIC One owner · No accidents · 29 service records · Diesel, seats seven Stock #26076 | VIN 4JGDF2EE1FA548605 | 135,331 miles Black over Black MB-Tex | 3.0L V6 turbodiesel | 7-speed automatic | Full-time 4MATIC AWD The right big Mercedes to buy used People who know the GL look for the BlueTEC. Its 3.0-liter turbodiesel V6 makes 455 lb-ft of torque, which pulls a loaded three-row SUV easily at highway speed. It's rated at 26 mpg on the highway, and with a 26.4-gallon tank you can go well over 600 miles between fill-ups. This one also has the factory trailer hitch and Trailer Sway Control, so it's ready for the boat, the horse trailer or the toy hauler. A GL350 BlueTEC is rated to tow up to 7,500 lbs. It's well equipped, too. The Premium 1 Package adds KEYLESS-GO, COMAND navigation, SiriusXM, 10-way power front seats with 3-position memory, heated and cooled cup holders, and multi-color ambient lighting. One owner for 11 years, serviced by Mercedes the whole time This GL was bought new in Southern California in 2015 and kept by the same owner for more than eleven years. The Carfax lists 29 service records, almost all at Mercedes-Benz of Anaheim and Mercedes-Benz of Laguna Niguel, with the scheduled 10K, 40K, 50K, 70K, 80K and 90K services done on time. The owner averaged about 12,200 miles a year, below the national average. The expensive diesel and powertrain work has already been done: July 2026: new fuel injectors and fuel filter (Mercedes-Benz of Laguna Niguel) 2023: new EGR valve, fuel pump module and fuel level sending unit 2021: new catalytic converter and mass air flow sensor, plus the 80K service 2020: new radiator and coolant flush, new EGR valve, fuel injection system service 2019: transmission fluid and filter service Brake fluid flushed on schedule, and brake pads replaced front and rear It passed its most recent California emissions inspection in July 2026. Clean Carfax No accidents or damage reported No structural damage, airbag deployment or total loss No open recalls Title history guaranteed by Carfax: no salvage, flood, lemon or odometer brands Personal vehicle, never a fleet or rental car Factory options (original MSRP of the options: \$7,800) [P01] Premium 1 Package (\$4,410) COMAND system with navigation KEYLESS-GO SiriusXM satellite radio iPod/MP3 media interface 10-way power driver and passenger seats Driver and passenger memory package: 3-position memory for the seats, steering column and side mirrors Power-folding side mirrors Auto-dimming driver-side and rearview mirrors Heated and cooled front cup holders Multi-color interior ambient lighting Illuminated door sills Other options Lighting Package (\$1,390): adaptive bi-xenon headlamps Lane Tracking Package (\$875): Blind Spot Assist and Lane Keeping Assist Trailer Hitch (\$575) Rear Side Window Sunshades (\$380) Rear Seat Entertainment pre-wiring (\$170) Standard features Seven seats, with a 50/50 third row that power-folds flat into the floor Height-adjustable, self-leveling suspension Power liftgate, roll-up cargo cover and hidden storage under the cargo floor 120V AC outlet plus three 12V outlets Bluetooth, audio streaming and smartphone integration HomeLink, rain-sensing wipers, rear fog

lamps and puddle lights PRE-SAFE, Attention Assist, knee airbag and curtain airbags for all three rows Hill Descent Control, Hill Start Assist and permanent full-time 4MATIC Dual stainless-steel exhaust and a chrome grille Why buy it A one-owner diesel GL with dealer records this complete is hard to find. Most of the major BlueTEC repairs are already done and documented, and it has the Premium 1 features buyers want in a GL. It's a comfortable, quiet highway SUV that can tow and carry the whole family. Come see it at Motorgroup LLC, 7326 E Evans Rd, Suite A, Scottsdale, AZ 85260 480-993-3390 | motorgroupllc.com
