Dealer notes

Step into the future of luxury electric mobility with the breathtaking 2024 Mercedes-Benz EQE 350+ SUV. Finished in a sophisticated Emerald Green Metallic exterior, this all-electric SUV perfectly blends modern sustainability with the legendary prestige of the Mercedes-Benz brand. Designed for discerning drivers who refuse to compromise on style or eco-consciousness, this vehicle commands attention on any road while offering a glimpse into the future of premium transportation. At the heart of the 2024 Mercedes-Benz EQE 350+ SUV is an advanced electric powertrain that delivers a whisper-quiet, responsive driving experience. Free of traditional combustion engine components, this zero-emission SUV offers smooth, linear acceleration and remarkable efficiency. Enhancing both its performance dynamics and commanding street presence is a set of premium 21" x 9.5J AMG multi-spoke wheels, which provide a stable, confident ride quality whether you are navigating tight city streets or cruising on the highway. The luxurious cabin serves as a sanctuary of comfort, featuring the exquisite sable brown/black nappa leather seat trim that elevates the interior aesthetic. This premium environment is further enhanced by the Exclusive Trim Package, adding an extra layer of refinement to your daily drive. Advanced technology is at your fingertips with the Driver Assistance Package and the state-of-the-art Digital Light Package, ensuring a secure and well-illuminated journey. The 2024 Mercedes-Benz EQE 350+ SUV is the ultimate choice for buyers seeking an uncompromising fusion of luxury, safety, and electric innovation.
