Dealer notes

Freightliner Utilimaster MT55 step van utility service vehicle. This Cummins diesel, extra-low-mileage step van-style unit features a crew seating system for three people, with additional space for storage or one more seat. Equipped with a rearview camera system, 13 feet of rear cargo area, a large built-in power inverter, dual batteries, aluminum and stainless shelving, LED lighting, and a stereo system. The unit also features air ride suspension with a quick-dump valve, quad roof rack system with material and ladder rack setup, rear tow hitch receiver, and Michelin tires all the way around in like-new condition. This vehicle was corporate fleet-owned and properly maintained, making it extremely well outfitted and equipped. We have several of these units available in stock. They have been fully serviced, professionally maintained, and are ready to go. Bulk purchasing options are also available. Price does not include \$0 processing fee
