Dealer notes

2014 Porsche Cayenne The 2014 Porsche Cayenne is the SUV that proved a performance car company could build the world's best luxury SUV without apologizing for either. Under the hood, a 3.6L V6 engine delivers 300 horsepower and 295 lb-ft of torque, launching this Cayenne to 60 mph in a commanding 6.1 seconds through Porsche's silky 8-speed Tiptronic S automatic transmission. Porsche Traction Management AWD distributes power with surgical precision across all four wheels, delivering a driving dynamic that no mainstream SUV at any price point can replicate. This is not a crossover that happens to wear a Porsche badge — this is a Porsche that happens to have four doors and a cargo area. Climb inside and the Cayenne reminds you immediately why Porsche interiors set the standard every luxury brand chases. Premium leather seating, a sport multifunction steering wheel, dual-zone automatic climate control, and a panoramic sunroof create an atmosphere of controlled elegance that never feels excessive. The elevated seating position delivers commanding road visibility while keeping the driver connected to the road in a way that feels unmistakably Porsche. Rear passenger comfort rivals dedicated luxury sedans, and the versatile cargo area handles real-world demands without compromising the cabin's upscale character. Every detail, every surface, every switch confirms that this vehicle was engineered without compromise. Porsche Communication Management brings navigation, Bluetooth connectivity, and premium audio into a cohesive, intuitive package that luxury buyers expect and appreciate. Bi-xenon headlights, park assist, and a rearview camera round out a features list that remains impressively relevant today. Carfax certified as a Good Value — independent confirmation that this Cayenne is priced where serious buyers need it to be. Porsche engineering, AWD capability, and luxury SUV refinement at a fraction of original MSRP — opportunities like this do not come around twice. The badge is real, the value is undeniable, and this Cayenne will not sit long.
