The 2018 Mazda6 Touring is a stylish and well-balanced midsize sedan that combines responsive performance, excellent fuel economy, and a more refined driving experience than many vehicles in its class. Powered by a 2.5-liter four-cylinder engine producing 187 horsepower and 186 lb-ft of torque, this Mazda6 delivers smooth acceleration and confident everyday performance. Paired with an automatic transmission and front-wheel drive, it offers composed handling and an efficient driving experience, with an estimated 26 MPG in the city and 35 MPG on the highway. With 170,603 miles, this Mazda6 continues to offer the practicality, efficiency, and engaging road manners the model is known for. The Touring trim adds a more upscale feel to the Mazda6's sleek four-door design, giving it a sophisticated appearance inside and out. The cabin offers a clean, driver-focused layout with comfortable seating, quality materials, and the space needed for commuting, family use, or longer trips. Combining sharp styling, good fuel economy, responsive handling, and everyday comfort, the 2018 Mazda6 Touring is a well-rounded sedan ready for its next owner.
