### Dealer notes

Discover the ideal balance of midsize truck versatility and legendary Toyota durability with this 2005 Toyota Tacoma Double Cab PreRunner. Dressed in a striking Blue exterior, this PreRunner configuration offers the commanding, elevated ride height and rugged aesthetic of a four-wheel-drive pickup paired with the efficient driving dynamics of a rear-wheel-drive powertrain. Built on a spacious 128-inch wheelbase with four full-size doors, this midsize truck delivers an aggressive stance and time-tested dependability that buyers actively seek.Under the hood, this 2005 Toyota Tacoma is powered by a robust 4.0L 6-cylinder engine mated to an easy-operating automatic transmission, delivering confident acceleration and reliable towing and hauling power. The factory PreRunner suspension provides generous ground clearance to tackle uneven roads and rough job sites with ease. Out back, the durable composite bed is built to resist rust and impacts, making it exceptionally capable whether you are transporting gear for a weekend getaway or hauling supplies for everyday projects.Inside, the clean Gray interior features a comfortable Double Cab layout that provides ample seating for up to five passengers along with versatile rear legroom. Driver-focused controls and practical cabin storage options ensure a smooth, comfortable experience on both daily commutes and long-distance drives. Combining famous long-term resale value, proven 4.0L V6 performance, and unmistakable pickup style, this Blue 2005 Toyota Tacoma PreRunner is a fantastic option for anyone searching for a dependable, hard-working truck.
