Dealer notes

Slip into this Charcoal 2022 Volkswagen Taos and you'll see why small SUVs are having such a moment. With a turbocharged 4-cylinder under the hood and an automatic transmission handling the shifts, it feels light on its feet around town while still being ready for longer highway runs. And when the weather turns or the road gets sketchy, full-time AWD helps you stay confident and composed. Inside, the cabin keeps things upscale and practical with Black leather seating surfaces, smart storage throughout, and a driver-focused layout that makes everyday errands feel a little more first-class. Dual-zone automatic climate control helps everyone stay comfortable, while the heated leather-wrapped steering wheel is a welcome touch on chilly mornings. On the road, the Taos balances comfort and control with a refined suspension, responsive steering, and sure-footed braking plus helpful tech working quietly in the background. You'll also appreciate the added peace of mind from modern driver-assist features when traffic gets busy, and parking is easier thanks to the back-up camera and rear sensors. Finished in sleek Charcoal with bold 19 two-tone alloy wheels, it has just the right mix of sporty and sophisticated. A CARFAX report is available for this Taos, so you can review its history before you drive.
