Dealer notes

Here is a beautiful 1993 Chevrolet Corvette 40th Anniversary Edition finished in Ruby Red Metallic with a matching Ruby Red leather interior, riding on factory 17-inch wheels. The VIN confirms the factory LT1 engine and Bowling Green, Kentucky assembly. This Corvette has always been garage-kept and never abused, and it shows with under 23,000 miles. The paint holds a beautiful shine, with any imperfections invisible to the naked eye. All glass including the tinted glass removable roof are in good condition. Under the hood is the 5.7L (350) LT1 V8 rated at 300 horsepower and 340 lb-ft of torque, paired with a four-speed automatic transmission. Open the door, and you'll find six-way power leather sport seats with 40th Anniversary embroidery on the headrests. They hug you well and look almost new. Thick loop-pile red carpet covers the floors and the rear cargo area and is in good condition, and the vinyl door panels carry the same racy lines as the exterior. Comfort features include the factory Delco/Bose stereo with CD and cassette player, power windows, and power locks, and more. This is an extraordinary opportunity to add a well-kept, low-mileage 40th Anniversary Corvette, a milestone model in Corvette history, to your collection.
