Dealer notes

Let me introduce you to the Ultra! Sundowner's Flagship Car Hauling trailer. 22 feet of highly polished aluminum with interlocking and welded structured floor every 6 inches. Load the lowest of the low riders with wit the 8 foot smooth aluminum ramps! Open the doors with no problem thanks to the removable fenders. This one is even better optioned with the Smooth riding Spread Axle rubber mounted torsions. Each axle is rated at 3500 lbs and has electric brakes on every wheel. This trailer is rated to haul 8050 lbs. The front of this trailer is equipped with a full enclosed locking cabinet with a light inside. Inside you will find a matching custom spare tire and enough room for all your valuables and gear while you are out and about. Late night loading is no problem thanks to the dual rear mounted LED work lights and the 8 floor mounted LED lights that light up the underside of the vehicle. This trailer is a full 81.5 inches between the rails and easily 83 inches between the removable fenders. It has built in stainless steel swivel D-Rings rear loading ramps. The coupler is a super strong Bulldog hitch with positive locking for save towing. 2 and 5/16 is the size of ball required for this hitch. Sundowner Trailers added the most popular options to the Sundowner open Car Hauler and created the Ultra Series. While you showcase and safely haul your toys they are protected with a 3 permanent enclosed storage compartment where your valuables can be stored under lock and key. A stainless nose
