136K MILES * READY TO WORK * READY FOR ADVENTURE If you're looking for a midsize truck with the right attitude, take a look at this 2017 Nissan Frontier S with the Desert Runner Package! The Desert Runner gives this Frontier the look and capability that sets it apart from your everyday pickup. It's a great choice for someone who wants a truck that's just as comfortable on the weekend as it is getting the job done during the week. This has been used as a work truck so it's not cosmetically perfect but is priced accordingly.
