Dealer notes

2017 BMW M3 | 6-SPEED MANUAL | S55 TWIN-TURBO | SAKHIR ORANGE II METALLIC | BLACK LEATHER Topline Auto Group is proud to present this stunning 2017 BMW M3 Sedan, finished in striking Sakhir Orange II Metallic over a sophisticated Black leather interior. Representing one of the most celebrated generations of BMW M performance, the F80 M3 combines exceptional engineering, precise handling, and the engaging character of a true driver-focused sports sedan. Under the hood sits BMW's legendary 3.0-liter S55 twin-turbocharged inline-six producing 425 factory horsepower and 406 lb-ft of torque, paired with the highly desirable 6-speed manual transmission and rear-wheel drive. Unlike the increasingly common automatic performance sedans, this M3 offers an authentic connection between driver and machine, delivering precise gear changes, responsive acceleration, and the unmistakable experience of a traditional manual BMW M car. This particular example stands apart with its distinctive Sakhir Orange II Metallic exterior, one of BMW M's most recognizable performance colors. The rich metallic finish beautifully complements the M3's aggressive front fascia, sculpted hood, widened fenders, and athletic proportions. The exterior features signature BMW M styling, including the distinctive kidney grille, aggressive aerodynamic bodywork, M-specific side vents, and quad exhaust outlets. Inside, the Black leather interior combines premium craftsmanship with motorsport-inspired design. Supportive M sport seats, driver-focused instrumentation, and a performance-oriented cockpit create a sophisticated yet engaging environment. Desirable equipment advertised for this vehicle includes heated front seats, navigation, a power sunroof, Bluetooth connectivity, and driver memory seating, providing everyday comfort without compromising the M3's performance-focused character. The F80 M3's lightweight carbon fiber reinforced plastic roof design, Active M Differential, and adaptive performance-oriented chassis engineering contribute to the precise handling and exceptional driving dynamics that have made this generation a favorite among enthusiasts. With its legendary S55 twin-turbocharged engine, highly desirable manual transmission, unmistakable Sakhir Orange finish, and rear-wheel-drive configuration, this BMW M3 represents an outstanding combination of performance, design, and driver engagement.
