It has a 3.1L V6 engine, automatic transmission, and front-wheel drive, making it a simple, comfortable, and easy-to-drive vehicle for everyday use. This Lumina was previously used as a police/government vehicle, which can be a plus for buyers looking for something that was part of a maintained fleet before private ownership. It also shows 11 service history records, 29 detailed records available, and was last owned here in Washington. It is a good option for someone looking for basic transportation, a commuter car, student vehicle, or a budget-friendly daily driver without spending a lot.
