Dealer notes

The 2007 Toyota FJ Cruiser 4WD 4dr Auto (Natl) stands out as a bold tribute to Toyota's legendary off-road heritage, blending distinct retro-modern styling with rugged trail capability. Dressed in an eye-catching White/Titanium Metallic exterior, this highly sought-after SUV turns heads whether parked in the driveway or conquering the backcountry. Built for adventurers who refuse to compromise on character, this FJ Cruiser combines a distinctive design language with the legendary reliability that Toyota is famous for, making it an exceptional find for enthusiast buyers searching for a unique and capable utility vehicle. Beneath its rugged exterior lies a robust 4.0L 6-cylinder engine paired with an automatic transmission, delivering the reliable horsepower and torque needed to tackle challenging terrains. This power is routed through a capable Four Wheel Drive (4WD) system, ensuring maximum traction and confidence across mud, snow, sand, or rocky trails. Equipped with 50-state emissions, this powertrain is built to meet strict environmental standards while maintaining the legendary mechanical durability and dependable off-road utility that defines the FJ Cruiser lineup. Inside, the cabin features a practical Dark Charcoal interior designed to withstand the wear and tear of outdoor excursions. This model is exceptionally well-equipped with both the Upgrade Pkg 1 and the Convenience Pkg, adding an extra layer of functionality and comfort to your daily drives and weekend trail rides. Safety is also prioritized with driver and front passenger side airbags, giving you peace of mind on every journey. Combining iconic styling, reliable V6 performance, and versatile packages, this 2007 Toyota FJ Cruiser is the perfect partner for your next great adventure.
