Body type: HATCHBACK 4-DR
Fuel economy: — city / — highway MPG
Dealer: Cars Plus Lenoir LLC, Lenoir, North Carolina 28645
Dealer phone: 888-781-1999

Dealer notes

As of my last update in June 2024 Toyota hadn’t released full details for the 2027 Prius LE, but based on the Prius lineage you can expect a sleek, eco-focused compact hybrid that emphasizes excellent fuel economy, low emissions, and comfortable, practical daily driving; the LE trim will likely pair a refined hybrid powertrain with smooth acceleration and strong efficiency, plus modern connectivity and standard Toyota Safety Sense driver assistance features, while interior design and materials should prioritize comfort, cargo versatility, and reliability—making the 2027 Prius LE a smart, eco-conscious choice for commuters who want low running costs and solid value. Price does not include $0 processing fee
