Dealer notes

Step into the future of luxury electric driving with this stunning 2023 Mercedes-Benz EQE 350 4MATIC SUV. Draped in an exquisite Twilight Blue Metallic exterior, this all-electric SUV perfectly blends sophisticated design with modern sustainable engineering. Its aerodynamic silhouette and commanding road presence make an immediate impression, offering a premium driving experience tailored for those who demand both elegance and innovation on every journey. Engineered for exceptional road manners and electric capability, the 2023 Mercedes-Benz EQE 350 4MATIC SUV utilizes an advanced electric powertrain paired with Mercedes-Benz's renowned 4MATIC All Wheel Drive system. This configuration ensures confident traction and seamless power delivery in various driving conditions. Enhancing its maneuverability is the innovative 10 degree rear axle steering, a feature that significantly reduces the turning radius for effortless low-speed parking while providing superior stability during highway speeds. Inside, the cabin welcomes you with a refined Black/Space Gray interior, beautifully curated as part of the upscale Exclusive Trim Package. This luxury EV rides on stylish 20" x 8.5J 5-spoke wheels, which are also featured with bold black accents to complement the vehicle's modern stance. Illumination is elevated by the cutting-edge Digital Light Package, ensuring optimal visibility on any path. Elevate your daily travels in this meticulously crafted 2023 Mercedes-Benz EQE 350 4MATIC SUV, where sustainable performance meets peerless comfort.
