15-passenger capacity. Proven V6 capability. Commercial-ready versatility. This well-maintained CARFAX 1-Owner 2021 Ford Transit Passenger Wagon T-350 XL RWD delivers exceptional passenger capacity, commercial-grade durability, and practical everyday usability. Finished in Oxford White over an Ebony interior, this 148-inch wheelbase Low Roof Transit is configured with 15-passenger seating and equipped with Adaptive Cruise Control, dual AGM batteries, running board, privacy glass, short-arm power heated mirrors, and E-85 Flex Fuel capability. Clean CARFAX with no accidents or damage. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. Powered by Ford's naturally aspirated 3.5L V6 producing 275 horsepower and 262 lb-ft of torque, this Transit delivers dependable performance through a 10-speed automatic transmission and Rear-Wheel Drive. The 148-inch wheelbase provides a stable platform for transporting passengers and cargo, while the Low Roof configuration offers practical overall height for urban routes, parking facilities, hotels, airports, and commercial operations. Inside, the Ebony cabin is configured with seating for up to 15 passengers, making this Transit an excellent solution for shuttle operations, transportation companies, churches, schools, organizations, large families, and other group-travel needs. Multiple rows of passenger seating maximize capacity, while the integrated running board makes entry and exit more convenient for passengers. Technology and driver convenience include Adaptive Cruise Control, Bluetooth® connectivity, driver information display, steering-wheel-mounted controls, USB connectivity, rearview camera, and modern Ford vehicle controls. Dual AGM batteries rated at 70 amp-hours each provide additional electrical capacity for demanding passenger and commercial applications. Safety features include Adaptive Cruise Control, rearview camera, AdvanceTrac® with Roll Stability Control™, traction control, four-wheel anti-lock disc brakes, tire pressure monitoring, multiple airbags, and additional safety systems engineered specifically around the size and operating characteristics of the Ford Transit platform. Convenience features include 15-passenger seating, Adaptive Cruise Control, short-arm power heated exterior mirrors, integrated running board, privacy glass, dual AGM batteries, power windows and locks, air conditioning, keyless entry, and E-85 Flex Fuel capability. The combination of passenger capacity and commercial-grade equipment makes this Transit especially well suited for frequent transportation duties. This capable Transit Passenger Wagon T-350 XL features a 148-inch wheelbase, Low Roof configuration, 15-passenger seating, Adaptive Cruise Control, dual 70 amp-hour AGM batteries, short-arm power heated mirrors, running board, privacy glass, E-85 Flex Fuel capability, Rear-Wheel Drive, and Ford's naturally aspirated 3.5L V6. Exterior highlights include the professional Oxford White finish, 148-inch wheelbase, practical Low Roof design, passenger-side running board, privacy glass, short-arm power heated mirrors, large passenger doors, and the functional commercial styling that has made the Transit a popular platform for shuttle, fleet, and group
