Dealer notes

2019 Honda CR-V EX-L AWD The 2019 Honda CR-V EX-L AWD is the compact SUV that refuses to compromise. Under the hood, a 1.5L turbocharged 4-cylinder engine delivers 190 horsepower and 179 lb-ft of torque, pushing this CR-V to 60 mph in 7.4 seconds with the kind of smooth, effortless pull that makes every merge and every pass feel completely in control. Honda's Real Time AWD system reads road conditions continuously and distributes power intelligently, giving you confident traction on wet Chicago roads, icy northern Illinois winters, and everything in between. This is an SUV engineered to perform when conditions demand it most. The EX-L trim is where the CR-V stops being practical and starts being genuinely desirable. Premium leather seating, heated front seats, a power moonroof, and a leather-wrapped steering wheel create a cabin that feels far more expensive than its price tag suggests. Honda's LaneWatch blind spot display, dual-zone automatic climate control, and a spacious rear bench with best-in-class legroom make every passenger feel like a priority. The hands-free power tailgate and 60/40 split-folding rear seats deliver the cargo flexibility that families and adventurers both demand without sacrificing an inch of comfort. Honda Sensing comes standard and fully loaded — adaptive cruise control, collision mitigation braking, lane keeping assist, and road departure mitigation working together on every drive. A 7-inch touchscreen with Apple CarPlay, Android Auto, and a premium audio system keep every seat entertained and connected. Honda's legendary long-term reliability means this CR-V isn't just a great buy today — it's a great investment for years to come. AWD capability, EX-L luxury, and Honda dependability in one package — this one won't stay on the lot long.
